Kathie Jones Chosen '72 Homecoming Queen

by Marlene Vernon

Two weeks of exciting and fierce campaigning was brought to a thrilling conclusion this past Friday night with the crowning of the 1972 Sullivan College queen at halftime of the Sullivan-Kentucky Wesleyan basketball game.

Preparation began weeks ago with the selection of sixteen candidates representing classes and student organizations at Sullivan. A preliminary voting two weeks ago narrowed the field to eight finalists and a final voting for the queen and her court took place last Thursday. The results were a highly guarded secret until the halftime ceremonies.

As halftime neared the nervous candidates gathered for the parade of wall to wall posters filled the college hall prior to the Homecoming Queen election voting.

homecoming beauties to begin. Each girl was introduced along with her escort, her hometown and high school, and her major at Sullivan.

As halftime neared the nervous candidates gathered for the parade of

After the entire group was recognized the moment of truth arrived.

Who would be the next Sullivan homecoming queen?

Announcer Gordy May first announced the third runner-up, Diane Aydt from Louisville and a legal secretarial major. Second runner-up was Polly Ball from Webster, Ky., a computer programming major. Then as suspense mounted the first runner-up was announced. She was Patty Coffman from Louisville, and a Data-processing major.

The suspense became unbearable as the audience tensely waited for the name of the winner to be announced. Finally the queen, Kathie Jones from LaGrange, Ky., and a legal secretarial major was named as Sullivan's Homecoming Queen for 1972.

1972 Homecoming Queen, Kathie Jones, regally wears her newly won crown.

HOMECOMING QUEEN

Cont. from Page 1

A. R. Sullivan, Executive Vice-President of Sullivan, and last year's Queen, Buff Braun, congratulated the queen and she received her crown, kiss, and a dozen red roses.

After pictures were taken the exciting game resumed.

After the game, students, dates, alumni, and faculty converged on the Spalding Center ballroom for the traditional homecoming dance. The ballroom was decorated with the college colors and rocked with music provided by the "Fanetics." The queen and her court reigned majestically over the proceedings from a special table and everyone seemed to enjoy the festivities.

Posed for the Courier Journal photograph prior to the final balloting are the eight finalists, (left to right) Diane Aydt, Cathy Hunton, Patty Coffman, Kathie Jones, Van Goff, Polly Ball, Karla Hathaway, and Denise Dodson.

Student Board Elects Officers
Knifley Chosen for Third Term

By Pat McKinley

The new quarter had hardly begun before the Student Board of Directors were hard at work again. The first action was the election of new representatives and alternates to act as board members. They are as follows: Room 408 - Patty Coffman, Kent Scott; 410 - Joe Scroggie, Steve Greille; 412 - Kathy Houser, Randy Fox; 414 - Paul Middleton, Gordy May; 415 - Shelia Jackson, Cathy Cooper; 416 - Kelly Knifley, Carl Knifley; 418 - Arvis Dancy, Brenda Brewer; 441 - Brenda Pearson, Lois Good; 454 - Debbie Washington, Pat Hale; 458 - Steve McCreary, Bob Kellimeir; 464 - Joyce Westmoreland, Diane Carpenter.

In their first fall meeting the board met and elected officers for this quarter. The officers are Chairman - Kelly Knifley; Vice Chairman - Randy Fox; Secretary - Kathy Houser; Treasurer - Carl Knifley; Historian - Joe Scroggie; Sergeant-at-arms - Kent Scott; and Social Chairman - Gordy May.

The unprecedented election of Kelly Knifley to a third term was a surprise to no one since Kelly has done an excellent job as board chairman since last June.

Some of the recent activities of the board ending up last quarter included a dress down day for all students with Linda Halloran winning again as usual, and a Christmas door decoration contest won by Room 418. (Members of the entire class getting an "ice cream cone" personally delivered during their first period class as a prize.)

Cont. on Page 4

STUDENT BOARD
Cont. from Page 1

The past few weeks has seen the board hard at work planning the homecoming activities just concluded. This included the queen contest voting, arrangements for the dance, escorts for candidates, getting flowers and on and on. Your representatives are to be commended for a job well done. In addition to these activities the board has been listening to student comments and passing them on to the college administration for consideration. The board is your board and you should help in any way possible to better let them represent you.

Dress Down Day brought out the best?? in everyone. (The headless one won).
Mr. & Miss Sullivan Chosen, First Time In School’s History

Late last fall for the first time in the history of Sullivan College a “Mr. and Miss Sullivan” were selected by the student body.

Ballots were passed out during first period classes and each student was asked to write in the name of the male and female student they thought was the most outstanding. Consideration was to be given to leadership, scholarship, character, and how the student had helped the college.

Many students were nominated but only a select few were chosen. The finalists for Miss Sullivan were: Polly Ball, Pam Edlin, Linda Holloran, and Van Goff. The finalists for Mr. Sullivan were: Dennis Devore, Carl Knifley, Kelly Knifley and Mike Sucher.

After the final ballots were tallied the winners were “Miss Sullivan” Polly Ball and “Mr. Sullivan” Kelly Knifley.

Polly Ball entered Sullivan in September and is a Computer Programming major. She has served as social chairman of the Student Board and is a varsity cheerleader for Sullivan.

Polly’s warm, outgoing, friendly nature and her willingness to boost the college and its activities certainly led to her popular selection as “Miss Sullivan”. Cont. on Page 4

A Student Board sponsored event at a recent basketball game crowned Kelly Knifley and Polly Ball as Mr. and Miss Sullivan.

College President, A. O. Sullivan, presents pretty Polly Ball, “Miss Sullivan”, with a bouquet of roses and a kiss at halftime ceremonies.

Mr. & Miss Sullivan Chosen By Students

(Cont’d, from Pg. 1)

Polly is a 1971 graduate of Breckinridge County High School and hails from Webster, Kentucky.

Kelly Knifley entered Sullivan in June after spending one year at Campbellsville College. He is a Business Accounting and Management major and has played on the Sullivan Exes championship softball team. He is Vice President of Phi Theta Pi Honorary Fraternity and currently serving his third consecutive term as Chairman of the Student Board of Directors. Kelly is the first student in Sullivan history to be elected to that post three consecutive quarters. His leadership and his interest in seeing the students become involved in their own success certainly helped in his selection at Mr. Sullivan.

Kelly and Polly were crowned at halftime of the E-town Community College - Sullivan College basketball game and both will reign until next fall.
Sullivans Elected To State And National Posts

Executive Vice President A. R. Sullivan has been elected President of the Kentucky Association of Independent Business Colleges and President A. O. Sullivan elected Vice President of the same body. The election took place at the organization's annual meeting in Owensboro recently. In addition, A. R. Sullivan has moved from the United Business Schools National Board of Directors to serve as a National Commissioner for the Accrediting Commission for Business Schools, Washington D. C. This body accredits all business colleges in the United States. Mr. Sullivan is the first Kentuckian to serve on this national commission.
An Editorial

"Enthusiasm Or Apathy?"
By Lois M. Mauk

Corny as it sounds, "One gets out of life only what one puts into it." This holds true also for life at Sullivan Business College.

Although it may be too late for some of the older students to drastically reform and direct their energies and school spirit toward an enthusiastic student body, there is still plenty of time for newer students to get "into the spirit of things."

It has been reported by faculty and administration sources that school spirit and support is greater this year than ever before, but this spirit does not seem to include the many students who have yet to become involved for fear of feeling out of place or because of an extreme attachment to high school associations. While loyalty to the old Alma Mater is a grand thing, it is vital that freshmen become involved in college life as soon as possible. It is necessary for a person to get involved in college life in order to make new friends and get into the swing of college life. Unfortunately, many freshmen, as well as many older students, have not yet broken their ties to high school. They still attend its ball games, track meets, and band contests, often completely neglecting college activities.

The students at Sullivan are very lucky to be a part of a school that offers a wide range of activities and organizations; such as, softball, basketball, golf, a pep club, a yearbook, homecomings, dances and parties, a newspaper, a sorority, and a fraternity. Many schools of Sullivan's size and type offer none of these to their students. Unfortunately, many students here do not seem to be fully aware of the potential of these activities to help them grow and develop leadership potential. Students have great opportunities to become truly and effectively involved in the "spirit of things," either as participants or as enthusiastic spectators.

The success of these activities depends on the support of the student body. Without support through enthusiastic school spirit, many of these projects will fail or will be forced to slack off substantially. Therefore, it is vital that all students, freshmen as well as older students, get out and pull for the teams and for the school.
New Phi Theta Pi Fraternity members proudly display their membership certificates and Fraternity mugs after formal initiation.

Members Plan To Attend National Convention

After one year of inactiveness, the Kappa Upsilon Chapter of Phi Theta Pi, International Commerce Fraternity, was recently reactivated.

Following their first quarter of school, 14 young men were eligible for membership. They each possessed the following: Superior Scholarship, Good Character, & Good Personality. A 3.0 scholastic average was needed for pledgehip.

There were ten young men who did pledge Kappa Upsilon this past fall. The young neophytes had varied activities to perform during their weeks of pledging.

The formal initiation ceremony was held at the Spalding College Center with Armando Perez, National President, Howard Steed, National Grand Secretary-Treasurer, C. M. Fike, Sponsor of Delta Gamma Chapter in Johnson City, Tennessee and several members of Delta Gamma in attendance. Armando Perez was assisted by members of the Louisville Alumni Chapter in the initiation ceremony.

Also on the same evening following the initiation ceremony, the installation of officers was performed. The following are the officers and the new members of Kappa Upsilon Chapter:

President - Dennis Devore
Vice-President - Kelly Knifley
Recording Secretary - Carl Knifley
Corres. Secretary - Reginald Hill
Treasurer - Melvin Brown
Historian - Eric Bascom
Pledge Chairman - Mike Sucher
Marshall - Ed Sleet
Project Chairman - Robert Spence
Social Chairman - Louis Thompson
Sponsor - Byron J. Wunderlich

Kappa Upsilon Chapter is now in the process of starting a new pledge class, to be activated in February, from the 21 young men achieving a 3.0 average during the Fall Quarter.

Several members are planning to attend the National Convention of Phi Theta Pi in Columbus, Ohio, February 25-27, 1972.

At the convention, Mr. Wunderlich, Chapter Sponsor, will be chairman of the committee for Alumni Affairs.
Faculty Profile

“Out-A-Sight!” That’s the words that describe SBC’s new Charm teacher, Mrs. Dottie Hart.

A native of Kentucky, Mrs. Hart was born and raised in Pike County-Appalachia country. She is married and has a four-year old son.

Charm teacher, Mrs. Dottie Hart, works with students at the make-up counter in the Charm and Personality Class.

Having led a very exciting life (at least to this reporter), Mrs. Hart has a list of impressive credits as long as your arm. She has taught Charm for 14 years at the Alix Adams Model Agency and is president of the Mannequins’ Club there. She is in charge of the Miss Kentucky County Fair Contest, director of the Miss Kentucky World Pageant, and has handled the Miss Kentucky Universe Pageant.

At the Brown Theater, Mrs. Hart displayed her acting ability in “Night of the Iguana.” She has also studied art.

On Tuesdays, Mrs. Hart does her thing – which is doing the make-up for the Stu Phillip’s show, “Music Place.” It would seem that the beautiful lady is a “Jack of all trades,” but, unlike the old adage, a master of all.

She has been a Miss Kentucky Model and a Miss Fort Knox. Besides this, she has won the Pamm Award, which is an award to the model that most fits into the image of a model.

A trip to New York every year keeps Mrs. Hart up to date with all the newest things concerning fashion and make-up.

Coming to Sullivan last August, Mrs. Hart took over teaching Charm Classes for Mrs. Van Kirk. Since then, reports about her have been filled with nothing but words of praise and enthusiasm. She seems extremely capable of turning the students in her classes into gracious, poised young women.
The Kappa Phi Chapter of Alpha Iota was reactivated in an initiation ceremony conducted by the Louisville Alumnae Chapter of Alpha Iota late last fall.

The ceremony was held at the Spalding College Center and sixteen members were accepted into membership in Kappa Phi Chapter after completing two weeks of pledging and taking an entrance examination.

They are: Denise Patton, Chapter President, graduate of Waggener; Linda Wilkerson, Social Secretary, Hart County High; Susan Wills Meeks, Vice President, Fort Knox High; Pam Fish, Treasurer, Tunnelton High; Regina Miller, Recording Secretary, Shelby County High; Cathy Hunton, Fairdale High; Van Goff, Greensburg High; Pam Edlin, Butler High; Debbie Coyle, Valley High; Arvis Dancy, Fort Knox High; Debbie Bennett, Valley High; Mary Martha Berry, Iroquois High; Denise Dodson, Meade County High; Barbara O'Bryan, Iroquois High; Gail Hughes, Shelby County High; and Miss Elaine Perry, Sponsor.

The new Kappa Phi members were honored to have a very special guest at the initiation ceremony, Miss Patricia Wolz, Alpha Iota Regional Counselor, who flew in just for the ceremony.

At Thanksgiving the sorority fixed a box of food and staples and took them to an elderly couple, and at Christmas Alpha Iota provided a needy family with a little bit of Christmas cheer. Each member of Alpha Iota contributed either articles of clothing, food, or personal item for a family of five here in Louisville. The active and alumnae chapters held a Christmas party in the home of Ailsa Reid, Alumnae Sponsor.

The Kappa Phi Chapter is planning to have rush parties, starting soon for girls who are eligible for membership in Alpha Iota International Honorary Sorority.

New Alpha Iota initiates and Louisville Alumni pose proudly for formal portraits after initiation ceremonies at Spalding Student Center.

Our Graduate Spotlight this issue focuses on a very recent graduate of Sullivan, Jerry Lankford. A June, 1971 graduate, Jerry has moved rapidly up the road to management success. Jerry graduated from Lebanon High School in Lebanon, Kentucky, and then spent several years in the United States Air Force prior to entering Sullivan. While at Sullivan he was very active in sports and other activities and maintained a “B” average. Upon graduation our Placement Director, Mr. Green, placed Jerry as a Management Trainee with the Bryon Sash & Door Company. He held this position until early fall at which time Jerry was offered a position in Sales Management with the House of Nelson, a large local distributor. Jerry’s income is now in excess of $10,000 per year in less than one year after graduation from Sullivan. Jerry indicated that his management training at Sullivan and the executive development course he took here was instrumental in his rapid rise to success. Here is another Sullivan Graduate who has used his training as a stepping stone to security and success.
Executive Shooting Offsets Lack Of Team Height

By Paul Middleton

The Sullivan Executives entered the new year with five wins in eight starts including a 81 to 79 cliffhanger over the Transylvania College frosh. Guard Steve Muerer came off the bench and ignited the Execs with several clutch baskets and steals of errant Trancy passes. This win was particularly satisfying for Coach Stewart since Transylvania was his alma mater and he played with their coach in college.

Sullivan has been hurt since the new year with the loss of Craig Reeder and George Lee on grades and the graduation of starting forward, 6’ 4” Bruce Flowers. Although the scoring slack has been picked up by other players, Bruce is mainly missed on the boards as he was the team’s leading rebounder.

Guard play continues to be the most improved area on the team with several different players hitting high games at this position. Steve Muerer with his thirty-two points in less than 20 minutes of play in the Jefferson Community College game (Sullivan 125 - JCC 69) and the strong driving action of Jim Reynolds has kept the Execs in every game. A holiday injury to guard Bobby Malone has kept him from all games since Christmas and his return will add to the guard strength as the season continues. Sophomore forwards Tom Marquette and Mike Sucher continue to give the team the leadership and steady floor play which the Execs have become known for in the past seasons.

A challenging February schedule will include Eastern Kentucky University, Kentucky Wesleyan College, and several top junior college teams. Two new players joined the squad in January and are already contributing to team strength. 6’ 3”, 200 pound Mozzis DeWalt, a starter at Louisville Thomas Jefferson, and 6’ 2” David Keene from Fern Creek are both counted on to help the remainder of the season.

This year’s team is hampered by a lack of overall team height but has made up for this by extra hustle and hard work. Coach Stewart commented “This is the finest and hardest working team I have ever coached, and they have really made this season a joy for me.”

Fan support at our home and away games has really been excellent and fans are reminded to plan to attend the remaining games this season.
Bowling League Rolls Along

By Cindy Meadows

The Sullivan intramural bowling league just keeps rolling along as the new year gets under way. Under the dependable leadership of Mike Hall the ten four-member teams are continuing their fierce competition each Wednesday afternoon at Parkmoor Lanes. The fun of competition is sparked by the co-ed makeup of the teams and the ability, or lack of ability, of each of the teams involved. Everyone involved in the play agree that the most fun comes from just being involved and getting to know each of the other students on the other teams.

The competition will continue until the end of February at which time a banquet will be held and trophies awarded both for “good” and “lousy” play.

At the present time Jim Tannehill (178) and Paula Morgan (147) hold the highest average for their sex. Jim, in addition, holds the highest game total with a 253 actual and Dee Senger has the girls’ high with a 198 actual. Craig Wheatley and Mary Milligan get the vote for “most improved.”

Co-ed teams of top Sullivan bowlers will participate in a new type of collegiate competition on Saturday, February 12. The first annual metroversity Bowling Classic will be held at Parkmoor Lanes and will feature up to 44 teams of four members - two men and two women. Teams from University of Louisville, Bellermine, Indiana University Southeast, Sullivan, Jefferson Community College, and other local area colleges are slated to participate.

In addition, a team from Sullivan will roll in the NLCAA (National Little College Athletic Association) National Bowling Championship in February.
Cheerleaders Reflect Experiences Of Sullivan Basketball Season

By Cindy Meadows

Go team go! Our cheerleading squad here at Sullivan is about to reveal its thoughts and experiences during this year's basketball season.

The squad this year consists of Janet Wright, Regina Johnson, Jo Ann Stanley, Polly Ball, and Debbie Bennett. They were chosen in a competitive tryout this past fall and have done yeoman-like work since that time to help the Executives on to victory in each basketball game.

Some of their comments were:

Janet remembers the first game in November as "a complete flop". "Everything we did seemed to go wrong", but experience has ironed out those problems. Debbie seems to have the most funny experiences and remembers the time she jumped up and cheered when the opponent missed a technical foul shot at an away game and she was the only person in the entire gym making any noise. Debbie's only desire is for more student involvement and attendance at the games, both home and away.

Jo Ann Stanley remembers one of the halftimes when the squad was forming a pyramid and "we all fell down." "Wow, was that embarrassing!" She adds that her only problem, and that of all the girls, is getting to the away games; but the girls all indicate it is really worth the trouble to go to the away games since it is at those games that the team really needs their support.

Polly made a comment which indicated her main wish is for more of the students to come to the games. The Herald agrees with Polly that although attendance has been good, it certainly could be better. The boys deserve your support and need it at all the games. Plan to attend all remaining games - "Try it . . . You'll like it!"

Sullivan Cheerleaders perform at all home basketball games. From left to right: Debbie Bennett, Janet Wright, Regina Johnson, Polly Ball, and Jo Ann Stanley.
Basketball Rough In Intramural Play

The Sullivan intramural basketball season has been almost as exciting as the collegiate scene with the teams meeting in competition in the Spalding gym on Tuesday nights and winners meeting in competition prior to the collegiate Executive games. What the teams seem to miss in conditioning and dead eye shooting ability they seem to make up in drive and determination.

If you haven’t seen the teams play, make your plans now to see the rough and tumble action. Team standing to this date are:

1st Place - No. 4 - (The Old Men)
2nd Place - No. 1 - (Salt & Peppers)
3rd Place - No. 3 - (J-Town Flashes)
4th Place - No. 2 - (The Dorm Rats)
