Sullivan Wins College Tourney; Beats Teams From Six States

Champions of the Bliss Junior College Invitational Tournament, the Sullivan College Executives returned to Louisville carrying the two-foot victory trophy. The “Execs” rolled through the three-day tourney without a defeat and averaged 98 points per game against junior college and freshmen teams from six states.

Winning the Bliss Tournament in Columbus, Ohio, is just the beginning of a success story which began two years ago when Sullivan began basketball. Following the first year in an industrial league, the college began a small schedule against college freshmen teams and junior college.

Finding the competition at the college level to be quite difficult, the ‘Execs’ ended last season with a losing record. With the 1966-67 school year approaching, the college embarked upon a basketball grant-in-aid program and set out to have a winning season. With the 27-game schedule half over, the ‘Execs’ have compiled a very commendable 13-4 won-lost record and hopes to go undefeated the remainder of the season.

Hardy Eaters Compile Big Bill

On December 27, after practicing up to Christmas Eve, returning home for Christmas, then returning for practice the day after Christmas, the team left for Columbus, Ohio in a caravan of four cars. Twenty-one people made the four-hour trip to Columbus; eight of the people rode with Mr. George O'Mary in his Volkswagen bus. It is interesting to note that Mr. O'Mary and the cheerleaders were given a one and one-half hour start and still gave Mr. A. R. Sullivan fits by arriving in Columbus thirty minutes after the team. It seemed they had stopped in Cincinnati for a leisurely lunch.

Upon arriving in Columbus, the team and cheerleaders went to the Downtown Holiday Inn, where they stayed for the three-day tourney. After a light dinner and practice, the team rested up for the tourney, which was to begin the next morning.

The next morning the team arose early to have a big breakfast. (Oh What a Bill!) The team and cheerleaders then went to the gym to begin the double elimination tournament. The “Execs” first opponent was Pittsburgh Institute, and this game turned out to be the wildest of the entire tourney. In the hard-fought game two of the Pittsburgh players were ejected from the game and their coach was called for a technical foul.

‘Execs’ Hit 52% In Second Game

In the first-round game the Sullivan basketballers were hard pressed to make field goals and since they had not played a game for two weeks, hit only 31 of 91 field goals for a weak 34 per cent. Although having a low shooting average, the ‘Execs’ were led by Dennis Newton and Jim Klein with 18 points each, and won the opener 87-69.

Homecoming Queen Crowning Due Feb. 4

By Joan Stauss

Homecoming at Sullivan this year will be highlighted by the crowning of a homecoming queen and a basketball game against Indiana University Southeastern Center. The homecoming game will be played at Ahrens gym on February 4.

Following the game the Student Board of Directors plans to have a homecoming dance and plans to invite all students and alumni and their dates.

Much excitement and anticipation surround the ten girls nominated to become homecoming queen. In nominating ten girls, Jim Klein, President of the Student Board, said “We feel that through each home-room, Alpha Iota, Phi Theta Pi and the basketball team nominating a candidate, we will have ten outstanding girls to represent the college.”

Following their nomination the girls’ pictures were taken for publication in the Herald so that each student would have an opportunity to see and know each girl before voting.

When further questioned about the queen’s election, Jim said “The students will vote on the candidates this coming Thursday and Friday, and the queen will reign with a court of her closest four contenders.” The homecoming queen and her court will be announced at halftime of the basketball game.

Ten Girls Vie For Crown

In announcing the candidates for the court Klein said that the basketball team had chosen Linda Byrd, Phi Theta Pi had selected Brenda Nickel and Alpha Iota elected Jan Pfisterer. Home-room representatives are Sharon Denton, Dee Bowles, Linda Doerr, Judy Park, Jo Ann Tanenhaus, Carol Vollmer and Glenda Waterbury.

When interviewed concerning her nomination, each of the girls expressed sentiments similar to those of Linda Byrd when she said, “It’s really hard for me to express how I feel, but I am really happy about it.”

Candidates for Homecoming Queen to be crowned at the Homecoming game to be held February 4 against Indiana University Southeastern Campus are:

First Row, L-R: Jo Ann Tanenhaus, Sharon Denton, Jane Pfisterer, Judy Park and Linda Byrd.
Second Row, L-R: Dee Bowles, Glenda Waterbury, Carol Vollmer, Brenda Nickel and Linda Doerr.
Basketball Trip To Jr. College Has Plot Like TV Soap Opera

By Joan Stauss

The following story is true and is told with respect to those who were ill or accidentally injured. The names have not been changed to protect the authenticity of the story.

What started out to be a happy bus trip to London, Kentucky ended as a mobile hospital run. Mr. A. R. Sullivan was heard to say that the next trip planned will have a red cross escort and an M.D. as bus driver.

Would you believe a television soap opera on a bus with the main cast resembling "Dr. Casey," "Dr. Kildare," or "The Nurses"? As the trip to Sue Bennett got underway the plot of the story began quietly and peacefully. The plot began to unfold as Mr. Sullivan thought the girls really needed to "powder their noses," and the bus passed one service station after another.

Johnson Hero of Story

Following the basketball game the main characters in the play were introduced. Can you imagine Dennis Newton and Danny Shearer as The Doctors, Mrs. Ferguson as The Nurse, and Donna Downs, Brenda LeCompte, Donna Widmann, and Jake Edinger as the patients? With a cast such as this finding a sponsor was easy, and soon the Double-Cross Accident and Health Insurance Company began their first commercial.

The shining hero of the trip was musclemen Sam Johnson who continued to serve as litter bearer and wheelchair. Other members of the most-unbelievable cast were Mr. A. R. Sullivan as Hospital Administrator and the Kentucky Bus Lines' driver as the ambulance driver.

Mother Hen Checks Ailises

As the main confusion of the story began, Donna Downs found that she would "rather fight than switch," and Donna Widmann found that her supper was not in complete agreement with her. Soon after the doctor (and he was for real) arrived everyone began to get back to normal and the return trip to Louisville began. With the trip underway, several of the patients had relapses and Doctors Shearer and Newton began applying ice compresses, sympathy, and diagnosing medical ills. (They should be reported to the AMA for malpractice.)

As "Mother Hen" Ferguson walked up and down the aisle checking her patients she was also judging for the highly coveted Sullivan Oscar Award. At the time many felt that Jake Edinger should be the 1966 recipient. Many wondered if Mrs. Ferguson was checking her patients or looking for Bob Kayrouz. As the bus made its many unscheduled stops Sam Johnson carried so many patients on and off the bus that he had to apply for a license as a "common carrier."

Jake Loses Oscar

During the entire trip Mr. A. R. Sullivan remained completely calm, cool, and collected. (He had to—there was no one else left.) Of course, Coach Moore was his usual calm self, and Coach Tibbs found that he was completely unable to help Jake.

After what seemed like eternity, the bus arrived in Louisville only to find that several of the girls were locked out of the YWCA. With Mr. Sullivan's help the girls got in the YWCA, and an emergency run was made to St. Anthony Hospital. The judging committee for the Sullivan Oscar immediately disqualified Jake as they learned that his pain was for real and he was admitted to the hospital for surgery. While Jake was being admitted, one of the students was overheard trying to convince her mother about everything that had taken place. (She wouldn't believe her.)

We are happy to report that Jake, following surgery, is recovering in good fashion and the other patients have also recovered. Dennis and Danny have surrendered their "M.D." titles; Mrs. Ferguson has her tranquilizers, and Mr. Sullivan has returned to his duties as vice-president.
Students Receive Pins and Rings

By Sharon Harrison

After many hours of hard work and days of waiting, Sullivan students finally received their class rings and pins on November 10. The many shouts of “look at my ring,” or “look at my pin,” were heard as the excited students received their college rings and pins.

The Sullivan ring is made up with and an emerald green stone and its side faces symbolize wisdom, justice, knowledge, and progress, which go along with higher education. Students wear their rings and pins proudly as symbols of their successful achievement in advanced business education.
Alpha Iota Works for Women’s Home

By Sharon Harrison

Along with the parties, friends, and prestige, one gains from belonging to an honorary sorority also comes the rewarding experience of getting along with and helping other people.

Alpha Iota Sorority, in their efforts to provide community service to others, works with the women at the Christian Women’s Home. The girls give their time to help the elderly women who are often blind, deaf, or bed-fast. In helping the women, the Alpha Iota girls do many odd jobs such as writing letters, reading to them, and addressing cards.

The eight AI girls so freely giving of their time are Phyllis Baker, Mary Marshall, Rita McCammon, Judy Miller, Jane Pfisterer, Marlene Sterchi, Cindy Taylor, and Phyllis Wessel. All of the girls agree it is a rewarding experience to help others and see the joy expressed when they make their weekly visits.
Alpha Iota’s Sullivan Chapter Charters New Alumnae Group

The age-old saying, “Starting the New Year off on the right foot,” very well summarizes the outcome of the first meeting of the Louisville Alumnae Chapter of Alpha Iota.

Evelyn Reynolds, Sponsor; Sharon Crone, President; and Laura Ritz, Treasurer; conducted the meeting and election of new members to fill the vacated offices. The following new chapter officers will help guide the activities of the chapter for the year of 1967:

Laura Carter, Vice-President; Betty Bruenderman, Secretary; Pat McAuliffe, Historian; Jennifer Bates, Chaplain; Jeannette Bates, Marshal.

The members will work with the active chapter in planning for the 1967 Mid-West Fall Conclave to which both Kappa Phi active chapter and Louisville Alumnae will be hostesses. Numerous committee chairmen will be elected from the Alumnae chapter. The members of Kappa Phi will serve as co-chairmen and committee workers. More definite plans will be discussed at the late January meeting.

Another important topic of interest to all members was the Alpha Iota International Convention Sunday Brunch. Mrs. Adele Gore, Regional Counselor, chose Ailsa Reid to be chairman for this event to be held in Milwaukee, Wisconsin, on July 23, 1967. The Active, Alumnae, and Mu Gamma chapters of Des Moines Iowa; Evansville, Indiana Alumnae as well as the Active and Alumnae of Louisville will hostess this fine convention affair. Ailsa announced that committees and final plans will be made in February.

Although both of these important activities will mean a hard-working year for every member, the bond of friendship shall be strengthened since the active and alumnae chapters, in order to work closely together, will make these activities successful. Moreover, the Louisville members shall have an opportunity to strengthen their friendship with other national chapters.
Kappa Upsilon Chapter of Phi Theta Pi has learned from the national organization that they are in the top ten among other chapters of the honorary fraternity for the E. O. Fenton Award. The E. O. Fenton Award is given annually to the chapter having compiled the greatest number of service points. Accumulation of service points comes through the activities of the fraternity in doing charitable work, working in service to the school and students, and through compiling articles published in the fraternity's national magazine, The Symbol.

Bowling Hop Planned

Fraternity President David Summers, who now works as an accountant at Rohm-Haas Chemical Corporation, reports that the fraternity has scheduled a Bowling Hop for all students. David also reports that the group honored some thirty-five men by inviting them to membership in the national honorary fraternity. Membership in the fraternity is obtained through a student having compiled a 3.0 or better average and having shown leadership qualities.

During the Christmas season the members of the fraternity held a Christmas Party at the home of member Joe Veilmeier. Other recent news with Phi Theta Pi was the election of Tom Carroll to the position of Historian. Carroll replaces Mr. Francis Moore who found that his teaching and coaching basketball did not allow time to do the position justice.

Pictured with Placement Director Pat Green, are Sullivan Alumni representing classes from the past four years. The Sullivan Alumni Association has many activities planned for the near future. 1966 graduates Tommy Gast and David Summers were elected as Co-Chairmen of the organization.
Sullivan Alumni Organized; Plans Active 1967 Program

By Sharon Harrison

To keep in contact with its graduates and to provide them with contact with the friends they made while at Sullivan, the college has begun a Sullivan College Alumni Association. Mr. George Pat Green, who also serves as Placement Director, is Director of Alumni Affairs.

In his efforts to organize the association, Mr. Green said, "The greatest benefit to the graduates will be a placement service for experienced grads who may be dissatisfied with their present jobs." He also said, "The college often receives employment requests for experienced personnel which we do not ordinarily have. Through the Alumni Association we will know about the experienced graduates who feel that promotions have passed them by or who are dissatisfied with future prospects at their present positions."

Other benefits to the graduates will be a semi-annual newspaper containing news about fellow graduates and their success stories. Each year the college will also sponsor a homecoming basketball game and dance in honor of the alumni. (This year it is to be held on Sat. Feb. 4)

The first organizational meeting of the Sullivan Alumni Association was held on January 6, 1967. The future and purposes of the association were enthusiastically discussed and plans for the homecoming basketball game and dance set. "The attendance and enthusiasm at the first meeting was encouraging," said Mr. Green, "but we hope that more graduates will become interested." Mr. Green continued in saying, "The Alumni Association can be of great benefit to the graduate who is willing to put himself into it and work hard to promote it."

Several committees were appointed at the first meeting. David Summers and Tammy Gast (class of '66) were appointed Co-Chairmen for Organization. Susan Bingham - Temporary Secy. Appointed as Class Representatives: Kay Dorman - Class of '63; Claude Mitchell - Class of '64; Alan Schneider - Class of '65 and Judy Ford - Class of '66.

A second meeting has been set for Sunday, Jan. 29.
“I started playing with a baton when I was very young, but I decided to become a better twirler about four years ago,” stated Carilyn Campbell, another of Sullivan’s many talented students.

Carilyn, a graduate of Western High School, was Head Majorette with the band in 1964-1966. She participated in Christmas and Derby Parades, was in variety shows and also twirled at Coney Island.

Carilyn’s abilities with the Western High School band went far beyond twirling a baton as she played both the clarinet and bassoon. During the marching season she was the featured twirler, and during the concert season she played the bassoon in the concert band.

Upon entering Sullivan in the June class she chose IBM Automation Secretary as her course of study. When asked why she chose IBM she replied, “I felt it would be a fine-paying, rewarding job for a girl. Carilyn feels that she only achieved the honors she did because of a lot of hard work and practice.”
Alpha Iota Wins International Award

by Mary Jean Fritz

For the third consecutive year Kappa Phi Chapter of Alpha Iota has won an International award for chapter excellence and efficiency. The award was given by the International headquarters of Alpha Iota in recognition of Kappa Phi’s Chapter excellence in service to the community and the college.

Rush Party Held

To give the girls who entered Sullivan in September a chance to get better acquainted with each other, and to Kappa Phi Chapter of Alpha Iota, the honorary business sorority at Sullivan, a get-acquainted party was given on Wednesday, November 30, at 7:00 p.m.

Rita McCammon, president of Kappa Phi, started the gathering by welcoming the thirty-five girls attending and gave them an overall picture of Alpha Iota. She explained briefly the requirements of joining the sorority and plans toward future pledging.

Linda Ice, Brenda Carter, and Jane Mills then served refreshments of cookies and punch. At this time the girls were able to get better acquainted with the present members of Alpha Iota.

In order to further acquaint the girls with the present officers, each of the officers introduced herself, giving a brief description of her duties of her office.

Rounding out the evening, the girls participated in several games and friendly conversation.

As Rita told the girls, the next step toward membership in the sorority is a rush party. This is held after the publication of grades. All girls maintaining a B average for the quarter are eligible for membership.

Thirty-five girls earned B or better averages and have been invited to membership. Pledging will begin in February.
GRADUATE SPOTLIGHT

By Ann Alexander

Our graduate spotlight this month falls on David Prechtel, a 1964 graduate of Sullivan Business College. David is a 1963 graduate of Jasper High School; and before attending Sullivan, David attended Indiana State University.

While at Sullivan, David studied Automated Accounting and Electronic Data Processing. He was also a member of the Student Board, the softball team and is now an active member of the Alumni Association.

After graduation from Sullivan, he served on active duty with the Indiana National Guard; and upon his return, went to work for a Certified Public Accountant, Paul E. Nonte, in Jasper, Indiana. He has worked as a Staff Accountant 2½ years and hopes to soon earn a C.P.A. certificate. The certificate takes 6½ years to earn, and David has three years to his credit. He must then pass a state examination.

David’s sister, Gwen Prechtel, entered Sullivan in June, as a Medical Secretarial student.

David’s success should prove a real challenge to the present students at Sullivan.
Johnson Leads Way As ‘Execs’ Average 98.2 In Bliss Tourney

Having five men averaging in double figures, the Sullivan ‘Execs’ swept through the three-day Bliss Junior College Holiday Tournament undefeated and scored an average of 98.25 points per game.

The ‘Execs’ were led in their four game sweep by Louisville Flaget product Sam Johnson. Johnson sank 38 of 72 field goal attempts for a field goal shooting percentage of 52.7% and a 21.7 scoring average. Sam also made 55% of his free throws and pulled down an average of 10.5 rebounds. His best effort came in the final game against Bliss College when he tallied 33 points and game scoring honors as the ‘Execs’ beat Bliss 109 to 101.

Dennis Newton, a graduate of Louisville St. Xavier, was second in team scoring with an average of 18 points per game and led the team in rebounds with an average of 14 per game. Dennis had his best game against Bliss College in the second round of the double elimination tourney when he tossed in 20 points, helping the ‘Execs’ to a 105 to 84 victory.

Jim Klein, veteran of last years Bliss tournament, shot 47.4% of his field goals for a 17.5 scoring average. While at the charity stripe Jim hit 18 of 24 tries for a 75% shooting average. In the championship game Jim scored 22 points. Jim is a graduate of Jasper High School in Jasper, Indiana.

Also in double figures was Oldham County graduate Danny Shearer who sank 81.8 per-cent of his free throws, 40% of his field goals and averaged 15.2 points per game. Danny’s ball handling continually kept the opponents on their guard and in the second round game against Bliss College he led the ‘Execs’ with a 22 point outburst.

The fifth team member averaging in double figures was center George Whitmer who hit 55.8% of his field goals and 93 per-cent of his free throws to average 13 points per game. Although hampered by injuries George had his best game against Bliss College in the second round when he scored 21 points.

As a team the ‘Execs’ had a 41.7% shooting average in field goals and a 71% average at the free throw line. The ‘Execs’ first five had a 17.1 point per man average per game and had a 40.7% shooting average. Scoring 393 points in four games the ‘Execs’ went through the tournament with only two men fouling out, and both of those were in the first game.
'Execs' Continue Winning Ways; Gain Ninth Straight Victory

Winners of their last nine games, the Executives of Sullivan College have jelled into a high scoring and poised collegiate basketball team. Starting the season with two straight victories against Lees and South Eastern Jr. Colleges; the team then split the next six games with wins over Lees and St. Catharine Jr. College.

In losing four games the team lost by two points to the Morehead University Frosh and by one to Bellarmine College Frosh. The only other losses were to Sue Bennett Jr. College by 7 and 4 points. In the four losing games before Christmas the Exeecs played two of these without the services of 6' 6" center George Whitmer and one without 6' 5" forward Dennis Newton.

Highlights in their 3 win in 4 loss season have been many; but to review some of the more exciting ones we would have to include the courageous play of George Whitmer, who after seriously injuring his elbow in the semifinal game of the Bliss Tournament, and requiring hospital treatment, removed his sling and played in the final game, scoring fourteen points. Also Dennis Newton's dunking the ball in the Southeastern Christian game. ... Sam Johnson's behind the back pass in the Ky. Wesleyan game. ... Danny Shearer's 40 ft. jump shots in the Bellarmine game. ... Jim Klein's amazing rebounding for a 5' 10" guard. ... Don English's 31 points in the St. Catharine game. ... the last two minutes of the Ky. Wesleyan game, when the Exeecs held Wesleyan scoreless while they scored four points to win 76-72. ... defeating Bliss College for the second time in
Sullivan Lands Three On All-Tourney Team

As Sullivan dominated the Bliss College Invitational Tournament, they also dominated the All-Tourney team. As the tourney ended and Sullivan was presented the winner's trophy Sam Johnson, Jim Klein, and Dennis Newton were chosen to the All-Tournament Team and presented individual trophies.

The All-Tourney team was composed of eight outstanding men chosen for superior play throughout the tournament.

Jim Klein was honored in being chosen to the All-Tourney Team for his second consecutive year.

Coach Harry Tibbs said, "All of the first five should have been chosen to the All-Tourney Team although the play of these three men was outstanding throughout the tourney."

Johnson, Newton, and Klein average a combined total of 19.7 points per game, and as a composite pulled down 28.5 rebounds per game.
Bowling League Trophies Awarded

Striking their way to victory, "The Strikers" made a runaway of the Sullivan fall bowling league and won by a five game margin over the Chanel No. 5's. Carrying a 35-5 won-lost record, "The Strikers" led the league for most of the season. Members of the winning team were Jim Meyer, Ron Cox, JoAnn Tanenhaus, Elaine Leiffer, and Martha Baldwin. Each of the members of the winning team received a personal trophy at the banquet held in Heitzman's Golden Room, on Jan. 10. A steak dinner was enjoyed by all.

Second place winners in the eight-team league were Sharon Park, Mary Ward, Donna Lucket, Mary Jo Fisher, and Mary Lou Volk. The Chanel No. 5's carried a 34-10 won-lost record earning the runners-up spot in the league.

Individual bowlers (pictured above) receiving trophies for high game actual were Jo Ann Templeton with a 235 and Robert Duncan with a 223. Keglers holding high game with handicap were Ron Cox with a 259 and Mary Jo Fisher at 252. Trophy winner for high series actual were John Read at 495, and Jo Ann Tanenhaus at 442. High series with handicap winners were Bill Meyer with 474 and Donna Lucket with 479.

Plans for the winter and spring leagues are underway and students interested in joining the leagues should contact Bill Meyer, league secretary.
